Re: Seven (7) Day Extension for Public Comment to Riverland
Expedited Response Action (ERA) Proposal

The Riverland Expedited Response Action (ERA) proposal document was not available for public review on May 3, 1993, which was the beginning of the public comment period.

The U.S. Environmental Protection Agency (EPA), as the lead regulatory agency for the Riverland ERA proposal, is extending the public comment period by seven (7) days to allow for a thorough public review. The revised public comment period will extend from May 3 through June 9, 1993.

I regret any inconvenience this may cause. If you have any concerns or questions, contact me at (509) 376-8631.

Sincerely,
